千年迷宮の壁新聞

NO.4 wall newspaper of Thousand years labyrinth 4号目

STORY

Eight outstanding young men are gathered in Igne Thousand-year castle. One of them will be chosen to become the next emperor who will rule the country.

Wrapped in uncertainty, Ewan, who has advanced to the innermost parts of the castle, learns that Amadeus who survived in the "True King's Room" is Messiah's true identity. Othello and Messiah turn out to be agents of "sanguisuite" who are set on reviving the fallen Igne dynasty.

With Othello's blade pointed at Ewan, he thinks he's in a dire situation, but Messiah rescues him and once again pledges his devotion. However, Othello cannot forgive this and holds Ewan at knifepoint. Ewan trusts in his friends and they arrive just in time to defeat Othello.

The eight, including Othello, are faced with yet another trap. Each one challenges the maze from their separate entrances they took as instructed by Messiah, but...

HERE'S WHAT WAS WRITTEN ON THE FLOOR.
"THE FATES OF THE EIGHT ARE NOT EQUAL".
We need to hurry and find Messiah...
THERE'S ONE PATH IN THE MAZE THAT HAS NO EXIT...!!
AT THAT TIME, MESSIAH PROBABLY DIRECTED ME TO THE ROUTE WITH AN EXIT...
Ewan, you should go here.
AND HE CHOSE A DEAD-END FOR HIMSELF...
.....

Ewan ...!!
!!!!
The exit ...!!

Is there an exit over there...
はっ
Me... Messiah!!
You finally came.
Ewan.
There is no time.
Can't... Can't you somehow come to this side?
These bars..
.....

Just to be sure, I want to settle an important matter.
AN IMPORTANT MATTER. ?
Bring your right hand over to this side.
I, Amadeus Frockhert,
hereby deem this person as the emperor.

Me...
Messiah...
.....
Lawrence Ackroyd, who stands over there, is the witness.
.....?
It's the "Ceremony of Attestation".
It's a ritual of attesting the emperor chosen by seven candidates.
With that, I have officially chosen you as the emperor.

This... This is strange!!
We won't see each other anymore again...!!
It's... It's like ...
Lawrence ...!?
Understood.
What's so funny about this...!!
Ku ku...
Time...
You brat...
Do you not understand that you're wasting Amadeus' precious time with your yelling...
Lawrence, come here.

ガシャン
MESSIAH.
WE CAN'T... SUCH A THING...
Let's go, Ewan.
We can't...
Law-rence ...!
We...

We can't leave him behind...!!
... Ewan.
I'd appreciate it if you didn't hold me back.
Please tell everyone
that... I'll be coming a bit late.

Messiah ...!!
Why...
Law-rence!!
Let me go right now!!
I can't do that.
Because Messiah hasn't given up yet.

Even though there's little time until the flood reaches this place,
he must be looking for a way out of this dead-end.
That's why,
if you want to believe in him,
you can't hold him back even a moment longer.
Continue believing without giving up.
BUT...!
THERE'S NOTHING I CAN DO FOR MESSIAH...
It was you who taught me that, Ewan.
Ewan !!
WITHOUT... GIVING UP...

It seems like we'll have to take different paths again.
By the way...
Hey, what's up with these bars...?
August!
Where are Messiah and that perverted bastard?
Have you not met up yet?
.....
Messiah said he...
a bit... late...
will be coming ...

Thief.
I have a message for you.
What? From the bastard?
He might be running a bit late
but, once out of here, the first thing he'll do will be visiting you to beat you up
so he said you should be prepared.
...From the way you said it, I guess it won't happen in the near future
I don't know when it will, but...
If it's him, he'll deliver on it by any means.
はっ
IT'S TRUE.
MESSIAH HAS...
ALWAYS ACHIEVED HIS GOALS...

He kept searching for the thousand-year treasure from an early age,
and once he was admitted in "Rubrum Lux"
he kept chasing after me, the descendant of Ignis
He wouldn't have taken action if there had been no chance of success..!!
キキ"!
Wah!
What's wrong, Ripp...?
...!?

It is as if the castle itself is shaking.
This tremor is...!?
Did a new flood gate open in the dam...?
Don't tell me... it's explosives...?
Is this also their doing...?
TO COMPLETELY DROWN THE CASTLE...
AND PERHAPS US WITH IT...
IS THAT WHAT THEY'RE PLANNING TO DO..!
No... This tremor is different...

チチィ
Hurry, we'll look for the exit separately...!!
You. You are a mouse..!
What are you doing, Zan!!
Please go back to Ewan!!
Zan!!
Take care of Ripp!!
Ewan ...!!
Ripp ...!?

Getting so worked up over a mouse, you're one strange man!
It's... It's not like that
Ripp can Peel
which way the safest place in the castle is...
!
So it means the direction they're heading in is...
BECAUSE OF THE WATER THAT POURED FROM THE CEILING, THE SMELL OF VAMICURAS IS ALSO GONE
SO NOW I DO NOT HAVE THE POWER TO PREDICT WHAT IS AHEAD BUT
PLEASE...

SOMEHOW STAY ALIVE, YOU TWO...
How many explosives are left...? Where are they placed?
Who knows... The ones I set up were only in the castle's east side.
I didn't have the key to the west side so I couldn't enter,
and I couldn't reach the location of the treasure either.
Still... You're all amazing...

Just a bunch of simpletons who fall for traps
has successfully managed to survive together up till now...
.....
The truth is, you could've also chosen this path, Othello.
The choice to go forth with everyone without doing everything as the organization said.
Heh, that's unlikely.
I wanted to make you the emperor, Amadeus.
Otherwise, I'd kill.

Having killed Ewan Juno in front of you,
I wanted to take away your everything.
I wanted to take away your dreams.
And if I couldn't, I wanted to kneel before you.
You had only two options: to kill or make me the emperor.
So...
How-ever...
I cannot choose either of those.
Now, what will you do, Othello?

Will you kill me by imprisoning me here?
Or will you show me the way out of this labyrinth..?
...What an unpleasant guy.
Having come to "Rubrum Lux",
You were an unpleasant guy from the very beginning.
from the day I first saw you

I could understand that you were a special person.
You could've been a genius who could change this hopeless world...
With a single glance at the map of the maze,
you realized which path you should take yourself.
You let Ewan escape and chose for us to stay here.
You're smarter than anyone and won't take risks if there's no chance of success.
That's why you're still here.
That is why...
only if it's you...
this Othello here may share something...

An unpleasant guy...
Othello?
Where are you looking?
Look at me...!
I can...
no longer see...
Everything is pitch black before my eyes...
Before I came to the castle... I had lost the ability to taste or feel pain.
So now the eyes, huh.
Othello!
Amadeus?
Are you there, I wonder?
Othello!!
If you're there, say so.
However...
I'll tell you the location of the hidden door...

the path behind that door only leads down.
DOWN...
IT MEANS THE AREA AHEAD IS SUBMERGED...
STILL, I
Are you going, Amadeus?
If so, I want a reward for the hidden door...
I was glad about earlier.
When something cold pierced through my chest
I could feel you, you know.
Where are you, Amadeus?

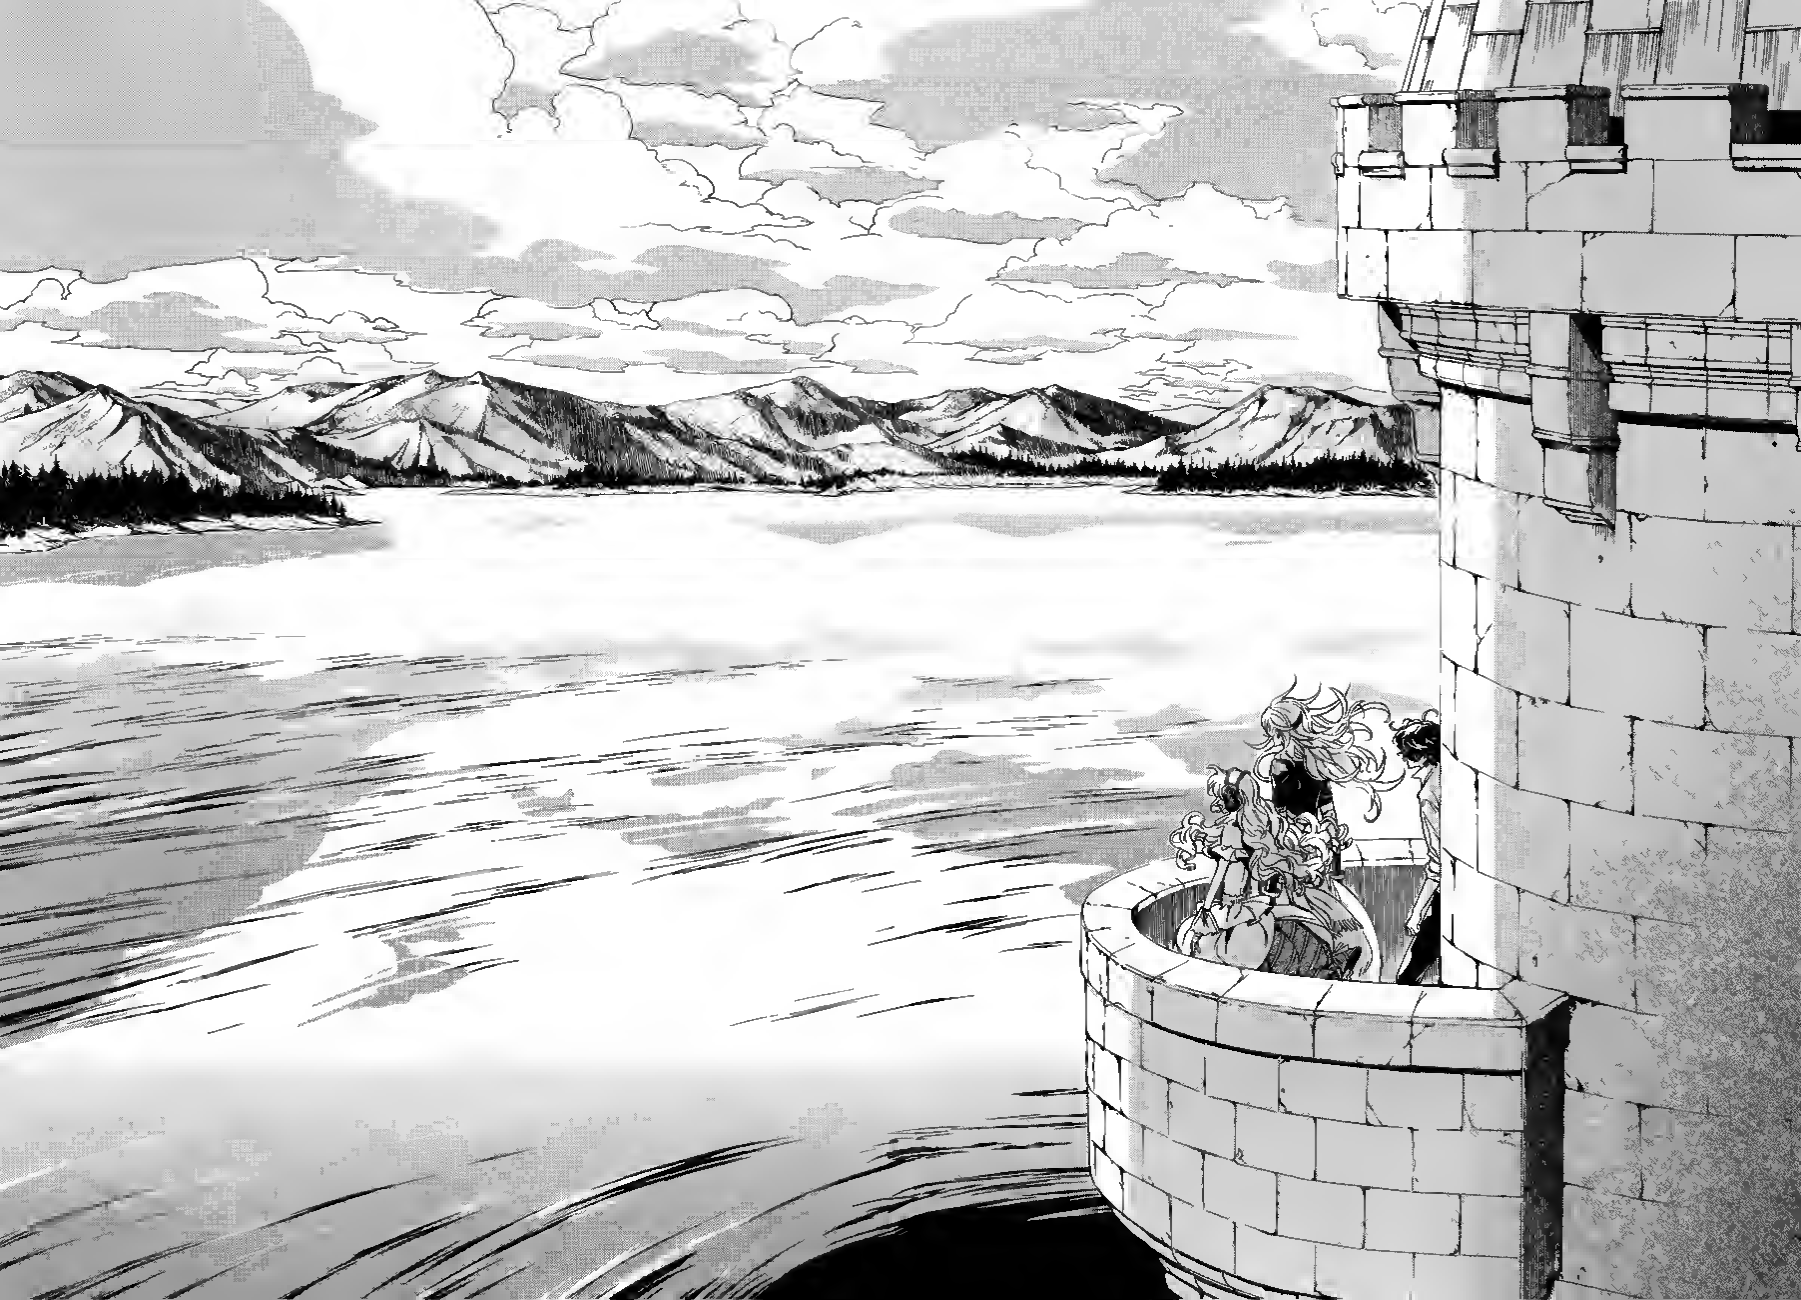
Here.
I'm right here.
And...
I WILL
DEFINITELY GET OUT OF HERE...!!

Are you really happy that we're climbing up!?
はあ
はあ
Damn... It's tough..
Hurry up!!
The water is coming...!!
は…
We can't go back down anymore, you know!!
And actually, if we don't go up, the water will reach here, and we're gonna die!!
Trust my gut feeling!!
But even if we get to the top, and it's a dead end, we're still done for.
ガラ
Alright! It opened!!

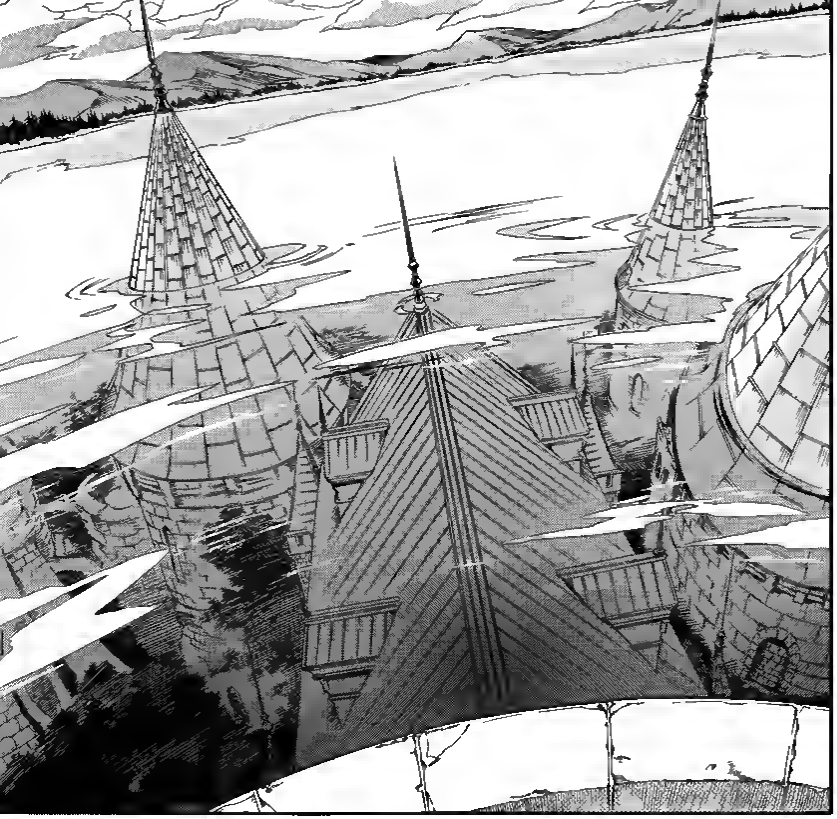
Is this a lookout tower?
Did you find an exit...?
チチィ
No.
It's pitch black so we can't see anything...
はぁぁ
As I thought, it's a dead-end...
Ripp? Where have you run off to?
If you wander around too much, you'll be crushed underfoot by them.
Even if we do, it won't be our fault.
What a disobedient mouse!
チチッ
チチッ
Are you there, Ripp...?

Ri...
THIS IS...!?
Everyone please come over here!!
It doesn't seem to be a stone wall.
You're right, it's rattling.
Is it a wooden plank or a trace of something blocked?
Step back, you two!
Are you ready, petty thief!!
There are no petty thieves among your future husband candidates!

You idiot!!
I'm a man!!
Eh?
We... We are...
August? How did it go?
The wind...
キィィ



Outside ...
...!
We're outside !!
It's... the wind.



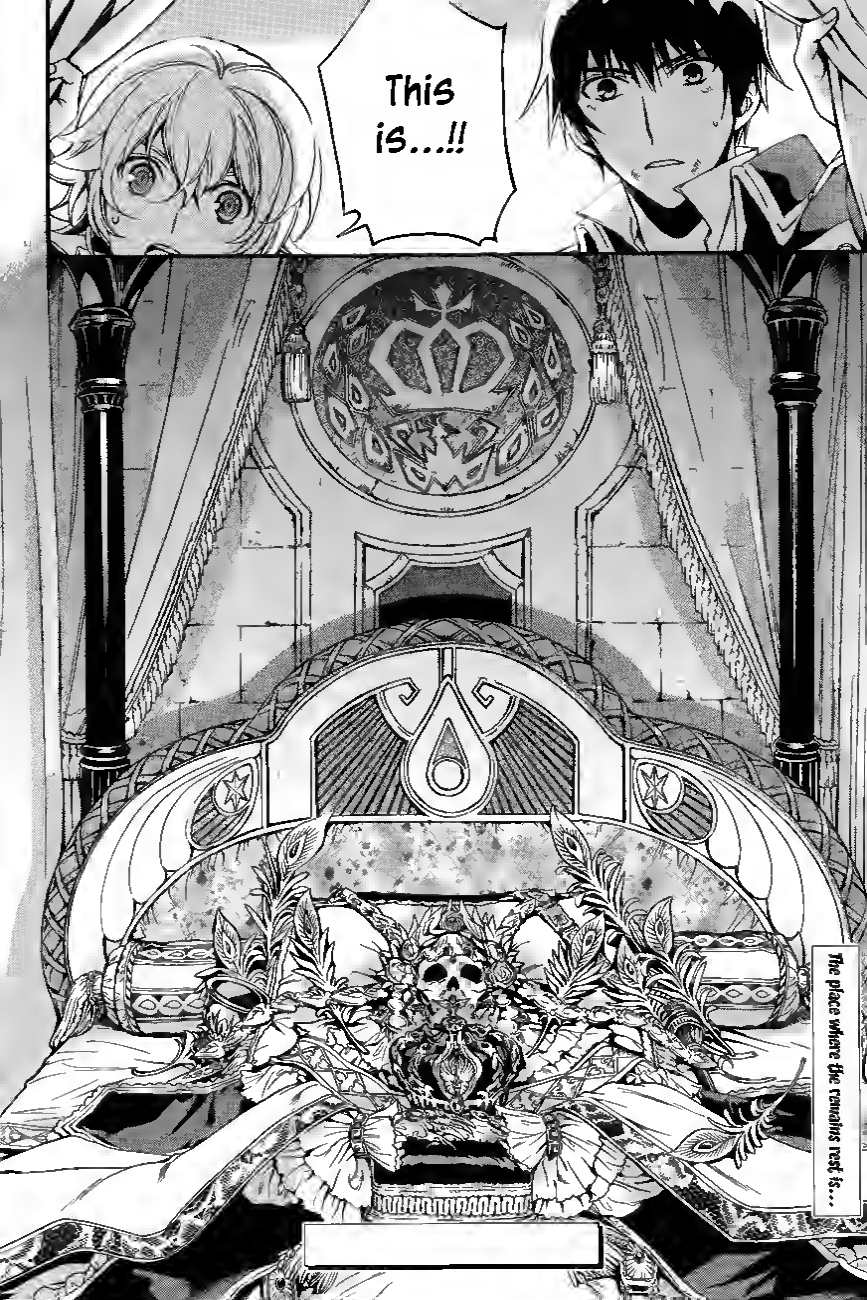
I'm about... to throw... up.
It's just... But for this tower, everything and everyone is sinking...
August, did something happen...?
Put... me down...
I feel sick...

I can't... bear it...
No... good.
August...
Messiah,
every-one...
Lawrence,
Ewan,
When I think that they're underwater...
...Ewan.

Did... Did I fall asleep?
It's good to rest and regain some strength...
But...
This place will probably not sustain us for long.
This is...
a really amazing place...
To think that in the very middle of the thousand-year labyrinth castle's top floor...
there was such a small and private room...

When we were escaping, if you hadn't noticed the hidden passage,
we both would've long been engulfed in water.
A crown emblem..!
We climbed up from there again,
and we're not very high but it must be the top of the tower.
The water level is most likely above the ceiling but
thanks to the remaining oxygen on this side, we still have some time.
Although we can't move anywhere from here..
Ewan?
I've rested a bit so we should take a look around the room soon.
It may only seem that there's no way out...!

I thought you'd say that.
.....
What's wrong?
No, nothing!
I THINK THAT'S THE FIRST TIME I'VE SEEN LAWRENCE SMILE, BUT I BETTER KEEP QUIET ABOUT IT...
Then it's fine.
THERE ARE A LOT OF LITTLE MEMENTOS.
WHO IN THE WORLD DOES THIS ROOM BELONG TO, I WONDER.
MOREOVER, THEY LOOK REALLY OLD...
Ewan ...!!



This is...!!
The place where the remains rest is...
